Re: Lean Project Deliver Fundamentals Certification

Dear LCI- C Certification Board

Please accept this as formal notification that I have developed a good understanding of Lean Project Delivery (LPD) principles and practices by completing the required ten hours of formal training, have been successful in passing the exam and would like to become certified as having met the Lean Project Fundamentals requirements.

My formal training requirement was achieved by taking the the following lean related courses and through home study and research.

- Level 1 Lean Project Delivery Course _____
- LPD Business Case Lean Leadership Video (0.5 Hours)
- AGC Lean 101 Introduction Video (0.5 Hours)
- Please document additional courses, tours, and study material
- _____
- _____
- _____
- _____

The certificate from the Level 1 exam has been attached to verify successfully passing the exam.

Please submit this application to certifyme@lcicanada.ca

Respectively submitted,
